FBIHQ INSTRUCTS THE PHOENIX DIVISION TO ADVISE U.S. CUSTOMS, BORDER PATROL AND THE APPROPRIATE LOCAL AUTHORITIES IN TUSCON OF THE INTENTIONS OF "OPERATION INTERCEPT" BY THE TUCSON CHAPTER OF THE CMA GROUP AS SET FORTH IN RE TELETYPE. FBIHQ IS AWARE OF THE CONCERNS OF PHOENIX RE POSSIBLE COMPROMISE BY SYMPATHETIC LAW ENFORCEMENT OFFICERS. HOWEVER TO FULLY DEVELOP ALL POSSIBLE AVENUES OF INVESTIGATION THAT COULD PRODUCE EVIDENCE OF VIOLATIONS OF FEDERAL OR LOCAL STATUES IT IS DEEMED NECESSARY TO INFORM THE AGENCIES THAT WOULD HAVE LOGICAL INVESTIGATIVE INTEREST IN THIS MATTER.

FURTHER DEBRIEFING OF [REDACTED] SHOULD BE CONDUCTED TO ASCERTAIN INFORMATION THAT COULD BE CORROBORATED BY OTHER SOURCES OR INVESTIGATIVE EFFORTS. DETAILS OF WHICH SHOULD BE FURNISHED FBIHQ IN ORDER TO DETERMINE EXTENT OF SOURCES KNOWLEDGE, PARTICIPATION AND VALUE TO CMA INVESTIGATION. EFFORTS TO UTILIZE ELECTRONIC MONITORING BY THE SOURCE TO DEVELOP EVIDENCE OF VIOLATIONS OF LAW AND ESTABLISH PROBABLE CAUSE FOR ARREST SHOULD ALSO BE CONSIDERED.

DEPARTMENTAL ATTORNEY [REDACTED] INTERNAL SECURITY SECTION, CRIMINAL DIVISION, ADVISED ON JUNE 25, 1986 THAT THE

PROPOSED ACTIONS BY THE CMA APPEAR TO CONSTITUTE A VIOLATION OF TITLE 18 U.S.C. SEC. 960 {EXPEDITION AGAINST A FRIENDLY NATION} - [ ] FURTHER ADVISED THAT DECISION TO USE THE FEDERAL GRAND JURY AT PHOENIX MAY POSSIBLY BE COUNTERPRODUCTIVE IN THAT IT MAY BE VIEWED AS IMPROPER USE OF THE GRAND JURY SYSTEM WHICH COULD GENERATE SYMPATHY FOR THE CMA. FBIHQ CONCURS WITH DOJ AND RECOMMENDS AGAINST USE OF FEDERAL GRAND JURY AT THIS TIME.

IN SUMMARY FBIHQ DIRECTS THE PHOENIX DIVISION TO INFORM THE APPROPRIATE LAW ENFORCEMENT OFFICIALS RE THIS MATTER AND TO ESTABLISH THE RELIABILITY OF [ ] IN ADDITION CONSIDERATION SHOULD BE GIVEN TO THE USE OF ELECTRONIC MONITORING BY THE SOURCE TO ESTABLISH FACTS TO SUBSTANTIATE VIOLATIONS OF FEDERAL STATUTES.

- B - Subjects wanted for crimes involving the loss or destruction of property valued in excess of \$25,000 or convicted of such crimes in the past five years.
- C - All others

**Claiming Non-Federal Arrests, Summonses, Recoveries or Convictions:**

It is permissible to claim a local arrest, summons, recovery or conviction if the FBI significantly contributed to the accomplishment. A succinct narrative setting forth the basis for the claim must accompany this report. When claiming a local recovery, enter the word "LOCAL" to the right of the amount. Enter "LF" in the "In-Jail" block for all life sentences and "CP" for capital punishment sentences.

**Reporting Convictions:**

Convictions should not be reported until the sentence has been issued. There are two exceptions to this rule. The conviction information can be submitted by itself if:

- 1. The subject becomes a fugitive after conviction but prior to sentencing.
  - 2. The subject dies after conviction but prior to sentencing.
- An explanation is required in the Remarks section for either of the above exceptions.

**Rule 20 Situations:**

The field office that obtained the process (normally the office of origin) is the office that should claim the conviction, not the office where the subject enters the plea in cases involving Rule 20 of the Federal Rules of Criminal Procedures.

**Investigative Assistance or Techniques (IA/Ts) Used:**

- Since more than one IA/T could have contributed to the accomplishment, each IA/T used must be rated.
- The IA/T used must be rated each time an accomplishment is claimed. (For example - if Informant information was the basis for a complaint, an arrest, a recovery and a conviction and if separate FD-515s are submitted for each of the aforementioned accomplishments, the "Informant Information" block must be rated on each FD-515 even if it was the same information that contributed to all the accomplishments.)

**Race Codes:**

C = Chinese; I = Indian/American; J = Japanese; N = Negro; O = All other; U = Unknown; W = White

Re: Las Vegas airtel to Newark, dated 3/9/87.

As per referenced airtel, Newark was requested to determine the subscriber to telephone number (201) 267-7171 and determine if CMA CONSULTING GROUP was a legitimate business.

Results of subscriber check for (201) 267-7171, revealed that the current subscriber to this number is CMA CONSULTING GROUP, address 170 E. Hanover, Morristown, New Jersey. Physical check of the above address revealed the CMA CONSULTING GROUP is a legitimate engineering consulting business.

In view of the fact that Newark has no further outstanding leads concerning this case, Newark will RUC this case to the Office of Origin.

This investigation was predicated on information furnished by the Federal Bureau of Investigation in New Orleans on March 18, 1986, regarding certain members of an anti-communist group in New Orleans, Louisiana, and Miami, Florida, including [redacted] the Civilian Military Assistance Group (CMA).

b2  
b6  
b7C

On June 24, 1986, Federal Bureau of Investigation (FBI), Phoenix Division at Tucson, Arizona, initiated an investigation independent of the New Orleans Investigation. This investigation was targeting certain members of the Tucson, Arizona, Chapter of the CMA. The investigation was predicated on information provided by [redacted] confidential informants (CI's), hereafter referred to as [redacted] CI's, who were reporting independent of each other, reported that the Tucson Chapter of the CMA had planned "Operation Intercept" over the Fourth of July weekend, wherein members of the CMA and others would travel to the international border between the United

States and Mexico, and set up observation posts in an effort to intercept aliens and drug smugglers crossing the international border from Mexico to the United States. [REDACTED] reported that during the CMA meetings which occurred in May through June 24, 1986, during which the operation was being planned, [REDACTED] designated [REDACTED] CMA members, [REDACTED] as a special unit which would establish an observation point during the course of the operation, which would operate approximately one mile inside Mexico.

On June 30, 1986, acting under instructions from FBI Headquarters, Special Agents (SAs) of the FBI, United States Customs Service, and Bureau of Alcohol, Tobacco and Firearms, interviewed certain [REDACTED]

[REDACTED] to participate in "Operation Intercept". During the interview, [REDACTED] were discouraged to participate in the operation, and were warned that any violations of Federal law that might be committed during the course of the operation would be vigorously investigated and prosecuted. The interviewees were also advised that "Operation Intercept" did not have the approval of the United States Border Patrol.

Following the interview of the various [REDACTED] [REDACTED] reported that "Operation Intercept" was still on, with one change--that being that an observation post would not be established in Mexico, as had been previously planned.

On July 3, 1987, the CMA sponsored "Operation Intercept" began. The CMA set up a command post west of the Huachuca mountain range approximately three miles from the Mexico-United States border, in an area generally known as Lochiel Valley. The area is commonly known as "T-Gate", a name that is derived from a crude gate on a fence that marks the international border.

On July 5, 1986, at approximately 3-3:30 a.m., several vehicles carrying illegal aliens crossed the international border at "T-Gate". After traveling for approximately one mile into the United States, a number of CMA members located, stopped and detained at gunpoint 13 Mexican illegal aliens, and one Guatemalan, for approximately two hours until the arrival of the U.S. Border Patrol units. Border Patrol units took custody of the illegals from the CMA, and the illegals were subsequently returned to Mexico. Three of the illegals at the scene of the confrontation escaped into Mexico while being chased by members of the CMA.

Later that night, he and five or six other individuals, and two "coyotes" (name given to alien smugglers) left Nogales, Sonora, in a Ford LTD, while [REDACTED] two "coyotes", and a family of seven, followed them in a light colored Datsun. Both vehicles began their journey, which led them from Nogales, Sonora, east in the direction of Naco, Sonora. After traveling for two or three hours in an easterly direction, they stopped at a gate along the fence which divides the United States and Mexico. When they arrived, two cars, a Volkswagon and a Duster, were already at the location, waiting to cross the border. While at the location, the "coyotes" refueled the Datsun and the LTD with fuel that had been carried in the trunk of the LTD. They then removed the back seats of the LTD to enable the passengers to be concealed. At approximately 3-3:00 a.m., the Datsun and the LTD entered the United States, traveling in single file. They traveled along a well traveled trail which is intersected by a prominent dirt rode. As they approached the intersection, they saw lights approaching their location from the east, and decided to move the two vehicles off the main road. Shortly thereafter, a 4-wheel drive Toyota pickup approached their location, traveling from east to west. The Toyota pickup continued past their location until it pulled off the road and parked, facing an easterly direction. Shortly thereafter, the "covotes" who were with them hiding behind the LTD, told [REDACTED] and two others, to approach the parked truck to see who the occupants were, inasmuch as they did not believe they were Border Patrol. As they approached the pickup truck, the lights in the truck were turned on and the occupants jumped out of the truck, heavily armed with shoulder weapons, yelling at them in English and telling them to stop. [redacted] Three armed individuals, as well as the other occupants of the Toyota pickup truck, remained around the area of the pickup truck, mingling around and talking, but always maintaining one person with a rifle pointed toward the group. This person usually stood near the right front fender of the pickup truck, facing the group of aliens who were behind the LTD. He continued, stating that he did not believe that the armed individuals noticed or even knew that a family of approximately six or seven were hidden behind the Datsun, which had also been parked off the road. They became aware of their existence around daylight and took measures to keep the family separated from the other aliens.

[redacted] advised that at one point, [redacted] others who had run away, were chased by five armed individuals who were standing near a fence. They stated that through [redacted] he could see the five individuals giving chase, and that these individuals had shoulder weapons.

[redacted] stated that at one point, one of the aliens collapsed and went into an apparent seizure because great amounts of saliva began to expel from his mouth. He continued, stating that after collapsing for a short period of time, this individual stood up and rejoined the others.

[redacted] advised that around daybreak, the Border Patrol arrived, and that the aliens were apprehended by the Border Patrol, and boarded a Border Patrol vehicle in which he was transported to Nogales, Arizona, where they were processed and released into Nogales, Sonora.

[redacted] advised he counted nine armed individuals, but was unable to see the faces on any of them. He stated their faces were covered with masks and speculated that one of them may have had glasses. The men were dressed in military uniforms and some were wearing military-type ponchos. One of the individuals who had removed his poncho had a belt across his waist, and had a holstered handgun and numerous pouches.

They then doubled back, walking in a westerly direction, in hopes of crossing the road which had led them from the Mexican border to the location where they had been detained. When they had reached the road that they believed was the road that led back to Mexico, they saw five armed individuals standing behind a fence, watching their movements through scopes which were mounted on their rifles. They continued in Mexican territory, stopping briefly, only to notice that they were still being pursued. They continued to run down the trail on the Mexican side of the border that led to the main road, which earlier that morning they had traveled on from Nogales, Sonora. When they reached this main road, they stopped, thinking they were safe--looked back and noticed that the five persons had crossed the international border and were continuing to pursue them. He continued, stating that at this point, he could clearly see that the five individuals were in Mexican territory, and that the fence marking the international border was clearly behind the five individuals. [redacted] other aliens found a suitable hiding place, where they remained hidden for approximately 1 1/2-2 hours. After discussing several options, they decided to return to the United States side of the border, hoping to be apprehended by the Border Patrol and eventually returned to Mexico through an official Port of Entry. [redacted] returned to the United States side, and found suitable concealment in a grassy area. [redacted] who were exhausted at the time, fell asleep for a period of one to two hours. They were wakened later that morning by a 4-wheel drive Blazer which drove past them at a high rate of speed, traveling in a northerly direction, away from the Mexican border. Shortly thereafter, a Border Patrol unit approached the location where they had been [redacted]

[redacted] provided two handwritten reports detailing an eyewitness account of what had transpired during "Operation Intercept". [redacted] reported that at one point during the incident, when the aliens started to flee, that [redacted] raised a rifle which

he was carrying at the time, and pointing it in the direction of the fleeing aliens. [REDACTED] further reported that [REDACTED] cut the valve stem on the left rear tire on one of the vehicles which had transported the aliens. [REDACTED] reported that the aliens were held for approximately 90 minutes to two hours at gunpoint. [REDACTED]

[REDACTED] The Border Patrol was eventually led to the location by [REDACTED] sometime between 6-6:30 a.m. Once the aliens were in the custody of the Border Patrol, all CMA members left the site of the detention and returned to a command post which had been set up nearby. While at the command post, the CMA was visited by two Border Patrol officers, including Border Patrol Captain [REDACTED]

The purpose of this communication is to summarize the results of investigation regarding allegations of Obstruction of Justice on the part of [redacted]

This investigation was predicated on information furnished by the Federal Bureau of Investigation (FBI) in New Orleans on March 18, 1986, regarding certain members of an anti-Communist group in New Orleans, Louisiana and Miami, Florida, [redacted] the Civilian Military Assistance (CMA) group.

On June 24, 1986, FBI, Phoenix Division, at Tucson, Arizona, initiated investigation independent of the New Orleans investigation, targeting certain members of the Tucson, Arizona, Chapter of the CMA. The investigation was predicated on

[REDACTED] ET AL.

information provided by [REDACTED] confidential informants (CI's), hereafter referred to as [REDACTED] CI's, who were reporting independently of each other, reported that the Tucson Chapter of the CMA had planned "Operation Intercept" over the 4th of July weekend, wherein members of the CMA and others would travel to the international border between the United States and Mexico and set up observation posts, in an effort to intercept aliens and drug smugglers crossing the international border from Mexico to the United States. [REDACTED] reported the operation was planned during meetings which occurred in May through June of 1986. During these planned meetings, [REDACTED] of the Tucson Chapter of the CMA, planned to establish an observation point approximately one mile inside the Mexican territory. This observation point would be in operation during "Operation Intercept," and would alert CMA members who were on the United States side of any traffic activity between Mexico and the United States.

On June 30, 1986, acting under the instructions of FBI Headquarters, Special Agents (SAs) of the FBI, U.S. Customs Service (USCS), and the Bureau of Alcohol, Tobacco and Firearms (ATF) interviewed certain members of the CMA who had expressed a desire to participate in "Operation Intercept." During the interviews, CMA members were discouraged to participate in the operation, and were warned that any violations of Federal law that might be committed during the course of the action would be vigorously investigated and prosecuted. The interviewees were also advised that "Operation Intercept" did not have the approval of the U.S. Border Patrol (USBP).

Following the interview of various CMA members, [REDACTED] [REDACTED] reported that "Operation Intercept" was still on, with one change--that being that an observation point would not be established in Mexico, as had been previously planned.

On July 3, 1986, the CMA sponsored "Operation Intercept" began. The CMA set up a command post west of the Huachuca Mountain range, approximately three miles from the Mexico-United States border, in an area generally known as "Lochiel Valley." The area is commonly known as "T-Gate," a name that is derived from a crude gate on a fence that marks the international border. On July 5, 1986, at approximately 3:00-3:30 a.m., several vehicles carrying illegal aliens crossed the international border at "T-Gate." After traveling for approximately one mile into the United States, a number of CMA members located, stopped and detained at gunpoint 13 Mexican aliens and one Guatemalan, for approximately two hours until the arrival of a USBP unit. USBP officers took custody of the

[REDACTED] ET AL.

illegals from the CMA, and the illegals were subsequently returned to Mexico. [REDACTED] of the illegals at the scene of the confrontation escaped into Mexico while being chased by CMA members.

The incident was widely reported in the local, as well as national press. Within a week following the incident, a group of local Hispanic activist attorneys, with the assistance of the Mexican Consulate in Douglas, Arizona, [REDACTED]

[REDACTED] provided two handwritten reports detailing an eyewitness account of what had transpired during "Operation Intercept." [REDACTED] account covered the period of [REDACTED] when the detained aliens had been turned over to the USBP. [REDACTED] reported at one point during the incident, when certain aliens started to flee, [REDACTED] raised a rifle which he was carrying at the time, and pointed it in the direction of the fleeing aliens. [REDACTED] further reported that [REDACTED] cut the valve stems on the left rear tire on one of the vehicles which had transported the aliens. [REDACTED] reported the aliens were held for approximately 90 minutes to two hours at gunpoint.

[REDACTED] reported that [REDACTED] a member of the CMA who had participated in "Operation Intercept," [REDACTED]

[REDACTED] reported that [REDACTED] met with [REDACTED] to discuss future strategy for the CMA. During the meeting, [REDACTED]
